

What, Me? Accident?

Among the many drunk drivers corralled by cops this week-end in La Crosse, one has some car repairs to do once he gets out of the joint. They found Roberto Rodriguez sitting in his car in the early morning on the northside. They say he'd plowed into a couple of cars on the street before ramming into a snowbank. Police say Rodriguez was very drunk and denied being in an accident. Although the cop was skeptical. After all, the car Rodriguez was sitting in had its air bags deployed. And the front end of the car was crushed.
