

Kohl Cancels Senior Visit Because Of Weather

Wednesday, 23 March 2011 12:09

It's not a good day to be traveling, in many parts of Wisconsin...and because of that, Herb Kohl's staff has cancelled the Senator's scheduled stops in La Crosse and other cities today.

Kohl was supposed to visit the Harry Olson Senior Center this afternoon, to talk about the future of the Senior Care program in the state. The Democratic Senator opposes attempts to reduce or eliminate federal funding for that prescription drug program.
