

There is now a primary set for the 95th State Assembly District....even before the election has been ordered. Lacrosse School Board President, Christine Claire, is the second democrat this week to announce that she is running for the seat. And she says life long hard work has set her path for the run to Madison.

Claire has been with the Lacrosse School Board for the past 11 years....8 of those as President. Back in 2007, Claire retired from the Wisconsin State Public Defender's office after 18 years in that position. She has also served on the Lacrosse County Domestic Violence Court Committee.....The Lacrosse Area Family Policy Board and the Lacrosse County Poverty Task Force.
