Another new tenant at Attic Correctional on the northside La Crosse. The latest sex offender to be released in La Crosse is 47 year-old Donald Lear. Lear will live at Attic on Rose street, just about a block and a half away from two different elementary schools. Lear was convicted of repeatedly sexually assaulting a fourteen year-old girl along with another 15 year old girl and a 16 year-old, too. Police say Lear will be moving in to Attic next Tuesday.
