

Onalaska Thanksgiving Dinner Gets Financial Boost

Tuesday, 08 November 2011 11:39

The Onalaska Community Thanksgiving Dinner got one step closer to its fund raising goal thanks to the Health Care Professionals Club at Globe University. On Friday, the HCPC presented a check to Tom Brewer, the President of the Onalaska Enhancement Foundation. And Brewer says that will go a long way toward their meal goal.

Brewer says they've had over \$5 thousand in donations come in and the HCPC put them that much closer to our goal of \$7 thousand.
