

Change To Skyrockers Plans

Wednesday, 30 November 2011 18:10

The Lacrosse Skyrockers are getting ready for a bigger and better New Years Eve fireworks show.....and a little change in where they prepare everything is not deterring them one bit. Just ask Chief Skyrocker, Pat Bonadurer.

The blufftop park is closed due to construction but thanks to the La Crosse Parks and Recreation Department and Fowler and Hammer the Skyrockers have permission to use it for the fireworks display. And they will send up a couple of boomers tonight at 5pm at the first landing on Bliss Road.
