3 people in Monroe County escaped serious injury today after a car they were riding in swerved to avoid a deer. The crash occurred just after 11 this morning on Basswood Road west of State Highway 27 in the township of Little Falls.

A pickup truck driven by 20 year old Jonathan Koresh of rural Sparta swerved to miss a deer in the road.....the truck veered off the right side of the road.....spun around.....crossed the road and into a ditch where it rolled one time.

Koresh sustained non-life threatening injuries and was taken to a La Crosse Hospital. Two passengers in the vehicle.....22 year old Daniel Laxton and 18 year old Stephen Becker, both of Sparta, received non-life threatening injuries. Laxton was transported to Mayo Clinic Health System in Sparta. Becker was not medically transported.
