

The last time they went to the state basketball tournament, they returned home with a gold ball...20 years ago. The Onalaska Hilltoppers are getting ready for their first game at state since that 1992 championship. Onalaska will play against Milwaukee Pius on Friday afternoon at the Kohl Center. Tickets for that semi-final game will be sold to the public today, between 5 and 7 p-m at the Onalaska High School commons. Two tickets per buyer, at 10 dollars each. Students can buy one ticket each starting this morning at the high school activities office. Gale-Etrick-Trempealeau will also play at state this week. The Red Hawks will face Marshall on Friday morning.
