

The Government Accountability Board wants to hold recall elections May 8th, or use that date for primary elections if needed and then hold the general election June 5th. And La Crosse County Clerk, Ginny Dankmeyer, is not wasting anytime getting things ready for the elections.

She says going through the same process last year with recall elections has given her staff an upper hand in preparing for this years. She has projected a 35% voter turnout in the recall of the Governor and Lt. Governor.
