

The Onalaska Rotary wanted to partner with the Onalaska Community Thanksgiving committee to assure that event becomes a tradition. Well after the committee accepts a \$4000 check tonight...looks as though it will be around for awhile. The monies came from a recent run/walk event that Rotary President, Anthony Schmitt, says could become an annual event.

This run promises to be a major source of funds for the Community Thanksgiving and the Community Thanksgiving Committee and the Onalaska Enhancement Foundation are excited to welcome the Rotary as a partner in making the Onalaska Community Thanksgiving a tradition.
