

A bold prediction from LaCrosse's Indoor Football League team. This time it isn't just head coach Gilbert Brown putting himself on the line. The whole organization has stepped forward and have guaranteed a victory against their opponents this Sunday the Sioux City Bandits. On the eve of training camp Coach Brown guaranteed he would bring home a championship LaCrosse. The team has gotten off to an oh and five start. But, The Spartans have shown improvement since the beginning of the season. Oh, and if the team doesn't win on Sunday afternoon everyone with a ticket will get a free one for the May 21st game versus Bloomington.
