

## Big Money Ballot Coming

Monday, 27 August 2012 09:47

---

Voters in November will see two multi million referendum questions staring at them. A school district and college both wanting your dollars for improvements. Western Technical College's ballot item comes in at close to \$80 million. Concerns?

Western President, Lee Rasch, says most of the approved monies would go towards the La Crosse campus. The La Crosse School District's ballot item comes in at \$16 million. It's for a new Northside Elementary School.
