

Post Prom Crash Leaves Two Dead

Monday, 10 May 2010 10:18

A tragic ending to prom night in Viroqua. Right before 11pm Saturday night a car carrying four teens went off the road crashing into a row of trees. 17 year old Nathan Gunderson and 18 year old Arrow Wildhack were sitting on the passenger side of the car and were killed in the crash. The driver 17 year old Rachel Way and passenger 15 year old Gina Young suffered minor injuries and were able to walk away from the crash. Vernon county sheriff Gene Cary says there recollection will be a major part of the investigation. He hopes their statements will shed some light on exactly what caused the crash. Cary says this kind of tragedy has an even bigger impact on a community as tight knit as Viroqua.
