

Mental Health Facility Opens Doors

Friday, 04 January 2013 10:16

Through Campus Renewal, Gundersen Lutheran built a new Inpatient Behavioral Health facility that will allow the organization to transform mental health care for adolescents and adults in communities throughout western Wisconsin, southeastern Minnesota and northeastern Iowa. In doing so, Gundersen Lutheran hopes to reduce the stigma surrounding mental illness. Kelly Barton, VP of Operations, talks more about what they strive to do.
