La Crosse police got no help from the victim, but they still nailed the perp. Cops say they've arrested 24 year-old William Petty in the shooting of Micheal Jameson earlier this month. Cops say Jameson showed up at Gundersen Lutheran with a hole in the back of his neck from a bullet but wouldn't give police any info about the shooting. Jameson was arrested for unrelated charges. Police arrested Petty yesterday during a traffic stop. Cops say several Crimestoppers tips help lead to the arrest. Petty faces several charges.
