

Crash Blocks I-90 Traffic At Exit 2

Friday, 19 July 2013 15:35

A big traffic tie-up on I-90 north of La Crosse this afternoon, if you're headed toward Minnesota...

All westbound lanes on the interstate are blocked because of a multi-car accident near Exit 2 on French Island. The DOT reports that cars are backed up as much as three miles. It could take until about 5:30 to clear the scene.
