The Boys and Girls club of West Salem has found a news home. They will lease the former Hope Community Church on Hamilton Street.

Mike Desmond, executive director of the Boys & Girls Clubs of Greater La Crosse says they will lease the building on a month to month agreement and the church retains ownership of the building - which had been vacant since the church moved in August 2009 to a new site. The only cost to the Boys & Girls Club will be payment of the utilities.

Move in is already taking place and the opening date is scheduled for February 7th.
