

A lot of students are taking the ACT test in Western Wisconsin and that has made for great test scores when comparing them to the state and nationwide levels. All schools in this area scored higher than both levels. Here are our local school district's score averages:

The West Salem School District 22.8, the district's highest average ACT score in 13 years.

La Crosse School District 22.5.

Onalaska School District posted a 23.4.

Aquinas High School in La Crosse averaged 24.7.

Wisconsin students averaged 22.2

The national average is 21.1

The ACT includes English, math, reading and science portions.
