

Unwanted Guest Removed From Southside House

Monday, 07 November 2011 10:43

An unwanted guest for a guy on La Crosse's south side this week-end. Police say Todd Alesh wound up on an unknown couch just before four in the morning on Sunday. Homeowner says he had no idea who Alesh was. But he did ask the drunken and belligerent 26 year-old to leave multiple times. Cops finally got him out of the house. Blew a .32 on the scene and police collected a bag of marijuana as well.
