

Thieves Nab Two Cars

Monday, 02 January 2012 10:24

Seems as though someone did not get any new cars for Christmas so they decide to steal their own. Sparta Police are looking for two cars that were stolen over the weekend, during two separate incidents.

One is a Teal colored 1993 Geo Prizm with a Minnesota license plate...the other a Silver colored 1998 Chevrolet Malibu with a Wisconsin.

Both vehicles were taken from residences on the west side of Sparta.
