Markus Chandler's had a busy month so far. La Crosse police had been looking for the 19 year-old for owing thousands in back child support. Spotted him several days ago driving. Cops chased Chandler for a ways while he drove through stop signs and sped down alleys trying to get away. They say he got out of the car and ran. Days after that, they nearly had him a second time when a city bus driver corralled him after suspecting Chandler of cleaning out another passenger's wallet. That time, he kicked his way out of the door of the bus. Finally got him on Friday just before he escaped from a bedroom window. Chandler's in jail today, facing up to ten charges.
