

CAPX 2020 Hearings Begin Today

Tuesday, 13 March 2012 11:27

Public hearings on the proposed CAPX 2020 high voltage transmission line project starts this afternoon in Alma and continue into the evening. Main concerns the Public Service Commission will hear?

And third, according to Tim Carlsgaard of Capx 2020....where is the electricity that's carried on this line coming from. The final public hearing is set for tomorrow in Centerville.
