

3 County Bus Route Almost Complete

Tuesday, 20 March 2012 22:59

So will people ride a new 3 county bus route traveling from La Crosse to Vernon to Crawford counties starting in July? Peter Fletcher, a transportation planner at the Mississippi River Regional Planning Commission, says from what he has heard so far.....yes.

One of the routes will start in Genoa and travel along Highway 35 to Stoddard, La Crosse, and then on Highway 14 to Coon Valley, Westby and Viroqua. Another bus will follow the same route, but in the opposite direction. A third bus will begin in Viroqua, traveling down Highway 27 to Mt. Sterling, Eastman and Prairie du Chien.
