

Do you want to get in on city government, on the ground floor?

The La Crosse City Council has an opening. But you have to live in the 5th district, the university area, to be eligible. Eric Schmidt just resigned from that council seat this month. City clerk Teri Lehrke is accepting letters of application at her City Hall office until 5 p-m on April 23rd. The council will choose a successor to Schmidt at its May meetings, and the new member will serve until next April.
