

Over four thousand people will be in the area this weekend as The La Crosse Central Basketball Association will play host to a 92 team, 7th grade state basketball tournament. It's the 7th year of the state championships and we asked Tourney Director, Todd Fergot, what makes La Crosse the basketbal destination.

Virtually every hotel is filled, restaurants and fast food places will be busy, and over \$ 600 thousand is estimated will be spent during the weekend here in La Crosse / Onalaska. The games will be played both Saturday and Sunday.
