

Coalition Says Drinking Culture Has Changed

Tuesday, 17 April 2012 08:48

A group of more than 25 area taverns, members of the Changing the Culture of Risky Drinking Behavior coalition and local college students will gather today to discuss the changing culture of drinking in the city. Chair, Pat Ruda, explains a new program being enacted.

Ruda says the goal is to bring students, taverns and the community together to reduce underage and binge drinking by supporting safer choices for drinkers and non drinkers alike.
