

The Obama administration has been accused of intimidating defense contractors and seeking to hide job losses from pending cuts to the Pentagon's budget in order to help the president's re-election campaign. Double that with accusations of secret meetings and emails.....RNC Chairman, Reince Priebus, says it's time it all stopped.

Republicans pointed to guidance issued last week by the Department of Labor that said it would be inappropriate for defense firms to issue layoff notices to employees before the election due to the pending cuts.
