

## **Murders Of Shop Owner And Son Being Investigated**

Sunday, 16 September 2012 10:10

---

Little new information early today about the shooting deaths of the owner of May's Photo in La Crosse and his teenage son.

Sources say Paul Petras and his son A.J. were shot and killed on Saturday afternoon inside the family's business on Main Street, in what may have started as a robbery. The victims apparently were found hours after the crime. The 400 block of Main Street was shut down to traffic for hours after police arrived.
