Wednesday, 19 September 2012 12:15

No charges filed yet in Monroe County against a Tomah man suspected of driving drunk for the 10th time...

Fifty-three-year-old Paul Premo was spotted on Highway 16 at Sparta yesterday, going about 15 miles above the speed limit. A state trooper smelled alcohol, and had Premo tested. After a blood draw at a hospital, Premo was sent to the Monroe County jail. Court records show he's been arrested for OWI five times in the last nine years, and he has a long list of charges in the Wisconsin Rapids area.
