

Not a Long Walk to Jail for Probation Violator

Tuesday, 09 October 2012 06:05

Among the people found passed out on the ground in recent days in La Crosse, was a 21 year-old police had to roust out of the grass early Friday morning. The guy was solidly drunk. Blew a .27 on the breathalyzer. Not good, because conditions of his probation means he wasn't supposed to be drinking. Cops cuffed the guy to haul him in. Didn't have to go far. He was passed out in the grass...at the jail.
