

Man and Woman Temporarily Missing For Halloween

Halloween celebrations in La Crosse this week-end didn't come without some drunken festivities. And drunken missing people, apparently. Police say two people went missing temporarily after drinking excessively. One 23 year-old woman was reported missing by her boyfriend just after midnight on Sunday. She'd been drinking hard early and just disappeared. Found alive and well and still in costume ten hours later after crashing on a stranger's couch. The search for a 21 year-old man from Minnesota was cancelled after he woke up in an alley on Sunday and called his girlfriend. He had also had a little bit too much to drink, apparently.
