

Paul Ryan And Tommy Thompson Stop In La Crosse Today

Tuesday, 30 October 2012 15:09

The pair stopped at the La Crosse Victory Center to thank volunteers who are collecting food for storm victims out East. They are now on their way

to Hudson to do the same. Ryan said it was a wonderful gesture to help out the people on the East Coast who are going through a terrible natural disaster. He said that's what Wisconsinites do and that's what American's do.

Ryan's western Wisconsin visits come a week before Election Day. He makes 3 stops in Wisconsin tomorrow.
