

Winona Tickets Fly

Monday, 19 November 2012 08:13

Cars parked in Winona must be on the odd numbered side of the street on odd numbered calendar days, and on the even side for even days.

The first night nearly 400 people were ticketed, and almost 200 the next night but police that's pretty much normal. The fine for that violation is \$25.

The ordinance has been in place for almost 25 years and is meant to help street crews clean up the streets and clear any snow that is in the way.
