

Lax Cop Hurt By Driver Running Red Light

Thursday, 13 December 2012 13:01

A two-car crash on Rose Street in La Crosse last night led to a hospital visit by a city policeman.

A driver ran a red light at Rose and Monitor Streets, and collided with an unmarked SUV driven by Officer Tyler Pond. The accident happened around 10 p-m. Pond reported a possible neck injury, and was treated at a hospital. The second driver got a cut on the finger...and a ticket for causing the crash.
