

La Crosse area motorists are urged to use caution at the intersection of West

Avenue & Main St. in the City of La Crosse. The traffic signals control box was damaged from a hit and run accident early Monday morning and the lights are not functioning. The intersection is being controlled by stop signs until replacement and repairs can be made. Police are asking for your help in finding the vehicle/driver responsible for this accident. Repair costs are estimated to be \$20 thousand. Parts left at the scene by the vehicle have been identified as coming from possibly a red colored Chevy or GM SUV. The vehicle should have front end and undercarriage damage. You can call the La Crosse Police Department or Crime Stoppers with any information about this accident.
