

Snowmobile Death Toll At 16

Monday, 25 February 2013 11:00

16 snowmobilers have died in Wisconsin this year, 3 behind the average of 19. We asked DNR Warden, Gary Eddy, what the largest contributing factor is.

[\(Click for Audio\)](#)

Eddy says as the winter winds down and spring gets closer, the ice conditions also start changing....adding another risk to snowmobilers.
