

Tax Day Brings Calls From Group for No Tax Cut

Monday, 15 April 2013 09:27

Tax filing deadline today. Billions of dollars going to states through income taxes. Trillions to the feds. In Wisconsin, governor Walker wants a new income tax cut. Wrong idea, says Bob Jacobson from the Wisconsin Budget Project. He says a big income tax cut will only hurt the state's infrastructure and schools

[\(Click for Audio\)](#)

Jacobson says Walker's three hundred million dollar tax cut would mostly benefit the top wage earners in the state.
