

Governor Scott Walker is back from a 10 day trade mission to China. He talked about the trip in his weekly radio address today.

[\(Click for Audio\)](#)

Some of the trip's highlights.....Beijing's Tong Ren Tang Health Pharmaceuticals signed an agreement with the Ginseng Board of Wisconsin to purchase Wisconsin ginseng for the next 10 years. Walker says he was also impressed with the increased demand for products made by Wisconsin companies like Harley-Davidson and Ashley Furniture.
