

Cause Of Super Buffet Fire Still Unknown

It used to be one of La Crosse's hottest night spots...

But the former Avalon Ballroom was just plain hot for a while on Wednesday, when fire broke out in what's now the Super Buffet restaurant. The fire scene was a block away from the Monitor Street fire station, and the emergency tied up north-south traffic along the causeway for a short time. Nobody was hurt, and the cause of the fire is still unknown. Most of the damage at Super Buffet seemed to be confined to the ceiling and roof areas.
