

Minnesota U.S. Representative Michele Bachmann posted a video to her website early this morning.....

[\(Click for Audio\)](#)

In the video, Bachmann says the investigation into alleged campaign finance violations did not influence her decision. She also says the decision has nothing to do with the announcement by Democrat Jim Graves to challenge for the seat in 2014, or any concern that she may not win reelection. Bachmann narrowly defeated the hotel chain founder in 2012.
