---

La Crosse Police are asking for your help in finding a man wanted in connection to an early Sunday morning homicide.

La Crosse Police were called to the Kwik Trip at 506 Cass St. at 3:21 a.m. They found 24 year old Demario Lee of La Crosse with injuries suffered after an altercation with 25 year old Mirtel Anderson also of La Crosse. Lee was taken to Gundersen Health System and died from the injuries. Police have issued a warrant for First Degree Intentional Homicide for Anderson.

La Crosse Police say they have recovered a vehicle used during the commission of this crime and the investigation has lead them to believe the Anderson has fled the area. The investigation indicated the homicide seems to be an isolated incident. There are no known additional threats at this time and public safety is not in jeopardy.

They ask anyone in the community with information that could help the investigation to come forward and contact police. To remain anonymous, contact the La Crosse Area Crime Stoppers at (608) 784-8477.
