

The Tomah VA Medical Center is one of 15 pilot sites where the Department of

Veterans Affairs is working with community-based mental health providers to help Veterans access mental health services in a timely manner.

Scenic Bluffs Community Health Center has partnered with the Tomah VA on mental health care. This partnership gives Veterans in the area an additional option: the expertise of the Licensed Professional Counselors at Scenic Bluffs Health Center with coverage in Southern Monroe and Vernon Counties.

Tomah VAMC offers a range of treatments and services to improve the mental health of Veterans, at the medical center campus in Tomah and at outpatient clinics in Wausau, La Crosse, Wisconsin Rapids, and Owen.
