

Pot Arrest Disparity Could Have Several Causes

Thursday, 06 June 2013 11:08

Hard to explain the disparity in marijuana possession arrests between blacks and whites. The ACLU says blacks are nearly eight times more likely than whites to get busted for pot possession in Minnesota. State ACLU chapter director Chuck Samuelson blames several factors

[\(Click for Audio\)](#)

Minnesota, Wisconsin and Iowa are all in the top five of states with the biggest disparity in pot possession arrest rates between whites and blacks.
