

Police are looking for a man in connection with the suspicious death of

34 year old Angela Nelson of Black River Falls over the weekend. Black River Falls Police are looking for 36 year old Michael Harmon who lived with the woman at a residence on Chestnut Street. Police say Harmon has not been named a suspect in the death, though they classified the death as a homicide. Nelson's body was discovered Sunday after a police received a call to conduct a welfare check at the residence.

Police won't talk about the woman's wounds, saying only evidence at the scene, including body positioning, indicated the woman's death was not a result of suicide or natural causes. She was found in a bath tub.

Police say witnesses saw Harmon with Nelson Saturday night and she had recently moved into Harmon's apartment.

Police say Harmon may be traveling with 32 year old Billie Harwick, a woman who was reported missing in Black River Falls and has not been seen since Saturday.
