

Sparta Police Investigate Man's Death

Monday, 17 June 2013 10:20

Sparta Police are investigating the death of a 31 year old man found in his apartment last week. According to a release today, police, last Thursday found Mike Libke unresponsive in his Brookside apartment on Court Street.

Though police say the death is under investigation, they say evidence is leaning towards a drug overdose. The Monroe County Medical Examiner says an autopsy was ordered and completed on Friday.

Police are asking for any information you may have towards their investigation.
