

Two Dead Another Hurt in Scuba Accident

Sunday, 11 July 2010 17:36

Two men from the twin cities die and another is injured in a scuba diving accident near Black River Falls. By the time Jackson County cops arrived at Wazee Lake Recreation Area all three men had been pulled from the water and CPR was getting used on the lone survivor. Police are investigating what killed the 60 and 57 year old scuba divers. Their 53 year old companion was injured but there's no update on his condition.
