

## Vote for Higher Fees Likely This Week

Monday, 05 August 2013 12:44

---

Higher inspection fees in La Crosse seem likely after a vote this week by the La Crosse city council. Higher fees for electrical, plumbing and HVAC inspections. Fees that won't be borne by contractors alone, says city council member Andrea Richmond

Richmond says she remains steadfastly opposed to higher fees to pay for inspections that the city's inspection department is already getting paid to do.
