

The Gang Resistance Education and Training Officers of the La Crosse Police

Department are partnering with the Boys and Girls Club of Greater La Crosse today to clean up the city. Well parts of it at least.

G.R.E.A.T. Officers are joining with local club members and staff wiping away graffiti. They will again be targeting the bicycle and walking trail areas which include the Highway 16 Bike Trail.

The Graffiti Busting event is taking place between Noon and 2:30 today.
