

Tomah Man Dies From Heroin Overdose

Wednesday, 07 August 2013 09:39

Tomah Police now know how a man died in the city back in June.

At the time police were unable to determine a possible cause of death. There were no obvious signs of trauma which may have caused his death. An autopsy report this week showed that Villa died from heroin overdose/toxicity.

Anyone with information is asked to call Tomah Police.
