

Sick of one lane driving near the I-90 Dresbach Bridge construction? Well

Project Manager, Rick Anderson says there's relief in sight.

[\(Click for Audio\)](#)

But Anderson says enjoy it while you can as more closures will be coming in April. And a lengthy one could be on the horizon in the Spring as well. That would include the ramp from west bound I-90 to southbound Highway 61 into La Crescent. It will be closed....for up to two years.
